

Starving Artists Movers

"Non-Allowables"

There are certain items which we are legally barred from moving because they've been determined to be potentially hazardous. If you happen to pack any of these items, and a problem occurs, the responsibility for damages and repairs will fall to you. Therefore, we urge you to read the following list of what we can't move.

Hazardous Materials ("Non-Allowables"):

- explosives
- ammunition
- fireworks
- medical products
- alcohol
- Peroxide
- syringes
- bio-medical wastes
- Sterno
- matches
- aerosols
- chemistry sets
- kerosene
- lamp oil
- gasoline
- brake fluid
- motor oil
- pool chemicals
- fertilizer
- pesticides
- weed killer
- propane/propane tanks
- fuel tanks
- nail-polish remover
- acetone
- paint removers
- paint thinner,
- any paint (latex, polyurethane, oil, or acrylic, including artists' paints)

Most of these items can be safely transported by you. We ask that you don't put them in boxes that will be placed on our truck(s), for the reasons stated at the top of this document.
